

Dear Parents and Students of BTM,

Welcome to Testing & Training International, the proven path to a rewarding and lucrative career. At TTI, we have set the bar for access to higher education and professional training in the frum world. Over the past 20 years, we have established successful partnerships with accredited colleges to offer the heimishe community undergraduate and graduate degrees that incorporate Torah values.

As an Undergraduate student, you will be assigned an advisor who will provide you with personalized guidance throughout the course of your bachelor's degree. **We are happy to inform you that this year, we have created a Pilot Program by partnering with your Yeshiva, Bais Toras Menachem. Together with our LA advisor, Mrs. Sharon Altschuler, and Rabbi Aryeh Hoffman, Program Director of Bais Toras Menachem, we have customized a degree plan to ensure you maximize the full benefits of your TTI membership**

As a TTI member you will benefit from a program that is:

- **Flexible:** While some of your degree plan has been set, you can still tailor it to meet your unique needs and educational goals. Your degree plan will take into account past schooling (including Yeshiva), your study needs, and schedule.
- **Efficient:** Your advisor will ensure that you are on the quickest and most cost-effective path to your future.
- **Convenient:** As a TTI member, you gain access to all TTI Branches, Library Services and Computer Labs.

For your bachelor's degree we are offering an opportunity to get a degree in Liberal Arts with a focus on either Business or Psychology. **Many of the credits will be earned through BTM's Judaic Studies classes.**

Each program incorporates concentrated learning. Employers and educators consider our graduates among the most qualified candidates in their fields!

Take a moment to visit our website and familiarize yourself with the various programs we offer - <http://testingandtraining.com/admissions-catalog/>. Our knowledgeable and friendly Admissions Counselors are ready to answer your questions.

I look forward to congratulating you on your accomplishments with TTI!
